the philippines became canada s largest source of short and long term migrants in 2010 surpassing china and india both of which are more than ten times larger the fourth largest racialized minority group in the country the filipino community is frequently understood by such figures as the victimized nanny the selfless nurse and the gangster youth on one hand these narratives concentrate attention in narrow and stereotypical ways on critical issues on the other they render other problems facing filipino communities invisible this landmark book the first wide ranging edited collection on filipinos in canada explores gender migration and labour youth spaces and subjectivities representation and community resistance to certain representations looking at these from the vantage points of anthropology cultural studies education

geography history information science literature political science sociology and women and gender studies filipinos in canada provides a strong foundation for future work in this area

includes entries for maps and atlases

we ve all heard the news report in fact we ve heard them for most of the past thirty years alarmingly and inexorably the unthinkable has become a very real prospect the nation that is canada as we know it may not make it into the next decade and we think that we no longer care that perhaps it s for the best or at the very least that there will be an end to this ceaseless wrangling and we can get on with our lives this is a dangerous course for what we wish for might just happen in a nation too good to lose former prime minister and senior statesman the right honourable joe clark argues eloquently and passionately that we are deluding ourselves if we think that the breakup of canada will not have severe consequences for us all the economy will be devastated we will be marginalized and lose both our competitive edge and our standing on the world stage we will not escape more constitutional negotiations for how will we structure a canada without quebec mr clark contends that underlying the politics of frustration there is in fact a widespread consensus among canadians on what canada should be and how a new kind of federalism could be shaped and he warmly shares his personal experiences and views that have led him to this conclusion and to the fact that canada can still be saved page 4 of cover
